### Director's message

Computer Sc. & Engg. Department  
(NITA)

It is my great pleasure to welcome you to Indian Institute of Information Technology (IIIT) Agartala – An Institute of National Importance-India's premier institute of Information Technology. As the newly appointed director of the institute, I am thrilled to be leading this Institution at a time of great opportunity and growth.

In the coming months, we will be working tirelessly to lay the foundation for a world-class institute that will shape the future of IT in India and beyond. I invite you to join us on this exciting journey and become a part of our community of scholars, researchers, and innovators.

----- Prof. (Dr.) Abhay Kumar, Director, IIIT Agartala

## ABOUT THE INSTITUTE

The Indian Institute of Information Technology Agartala (IIIT Agartala) has been constituted by the Hon'ble Govt. of India with the mission to herald a new chapter of development in the country, particularly, in the North-East states, through pursuit of excellence in technical education and research particularly in the field of Information Technology.

IIIT Agartala realizes the responsibilities of its pivotal role of importance in the arena of higher education to meet the future challenges of a sustainable development in a knowledge-based economy. Its strategic impetus has the objectives of furthering, fostering and enhancing the frontiers of a sustainable employment potential for the rural and socio-economical challenges in the entire North East.

Indian Institutes of Information Technology (IIITs) are a group of institutes of higher education in India, focused on information technology. IIIT Agartala (Tripura) is one of the IIITs' in Agartala, Tripura, set up on the public-private partnership (PPP) model, established under the same Non-Profit Public Private Partnership (n-PPP) model. The partners in this project are Government of India, State Government of Tripura, Oil & Natural Gas Corporation (ONGC) Ltd. and North Eastern Electric Power Corporation Limited (NEEPCO) Ltd. The Institute started functioning from the Academic Year 2018-19 with the department in Computer Science and Engineering in the temporary campus at mentor institute NIT Agartala, where all facilities of NIT Agartala are provided to the students of IIIT Agartala. IIIT Agartala is currently functioning at its Mentor Institute, the National Institute of Technology Agartala.
