IIIT Agartala

Message from Director's Desk

It is my great pleasure to introduce you to a budding and resonant technological institute in North-eastern region of India, Indian Institute of Information Technology Agartala, Tripura. IIIT Agartala is an institution of National Importance under MHRD - Public Private Partnership (PPP) mode and at present NIT Agartala is its mentor institute.

In spite of being very young institute, IIIT Agartala is an energetic and dynamic institute which nurtures students in multi-dimensional way such as technology, physical & mental health, personal & professional skill development etc. We enjoy the flexibility to quickly respond to the rapidly changing global socio-economic conditions and can efficiently adapt the best practices of leading technical institutes.

Dr. H.K Sharma
Director - NIT Agartala

At present IIIT Agartala is temporarily functioning from NIT Agartala campus and it is offering B.Tech. Computer Science and Engineering Program. Students from IIIT Agartala have also performed in a variety of contests and have held prominent positions in NIT Agartala clubs.
Some of these Clubs are:
- Google ICPC Club
- ACM ICPC Club
- E Cell
- Enlightenment Club
- Sagnak Prayog
- AAVEG Club
- We Can Organisation

With highly experienced faculties and robust infrastructure supported by its mentor institute, the institute has broken many impediments which stood in its way of becoming an institute of national importance. Today, with its brilliantly organized courses, research opportunities, and through its commitments to achieve its strategic objectives, it charters out even further in its quest to be a Centre of Excellence shortly. Through substantive collaborations with industries, we are ensuring advanced laboratories and research facilities on the campus. I am delighted, hopeful, and confident to present to you students of IIIT Agartala, I trust that you will find them capable and appropriate for your organization. I hope to welcome you to the vibrant campus of NIT Agartala to recruit the first batch students of IIT Agartala and have a long and mutually beneficial relationship with you. I shall be grateful for the earnest response and inspiring support by the reputed organizations in recruiting our students.

Prof. Harish K. Sharma
Mentor Director, IIIT Agartala
Director, NIT Agartala

Message from Chairman's Desk

Dr. John Debbarma
Chairman , CCD

IIIT Agartala was established in the year 2018 under the IIIT Act 2017 under the PPP model with a mission to bridge the gap in helping India realizing its dream of becoming a digital powerhouse by providing a skilled workforce and research environment to cater to the requirements of Industry 4.0.

I am delighted and honored to invite you to the Campus Recruitment Programme at IIIT Agartala, which would be extremely helpful for building suitable industry research tie-ups. Institute - Industry Interaction is of utmost importance to us. We look forward to a long-term relationship between your esteemed organization and our institute. It is my sincere belief that we both will surely benefit from this collaborative relationship.

Your visit shall provide our students a competitive platform and enable them to use their technical knowledge and expertise. The young talent of our institute will also be motivated to establish a synergetic interface.
I sincerely believe that your visit would bode well for both you and our institute. We assure you that our collaboration will be fruitful.

Message from CCD

On behalf of IIIT Agartala, It is my pleasure to invite you for campus recruitment drive. Our students have gained adequate coding skills and industrial exposure. They have engaged themselves in academic, technical and societal activities. I am sure; our recruiters will find our graduates of IIIT Agartala highly skillful and competent in present engineering fields.

Dr. Jawahar Paulraj
Vice Chairman , CCD

IIIT Agartala was established in 2018 and offering B.Tech in Computer Science & Engineering. As we know an Internship program are great ways for students who need to gain valuable work experience and identify opportunities for employment.

Mr. Dhruba Jyoti Bhowmik
Member & Training and
Placement assistant

I feel honored to state that IIIT Agartala is an integral part of the academics, which helps to provide well shaped careers of our students in the field of Information Technology. Our Training and Placement Cell is continuously working for the overall development of the students so that they can explore different areas of opportunities in the field of IT for placement.
I express my heartiest gratitude to all the organizations those have extended their active cooperation to our team in accomplishing its endeavor successfully. I feel delighted to present our students to your esteemed organizations.

Mr. Debashish Karmakar
Member & Training and
Placement assistant

As the coordinator of IIIT Agartala, it is my pleasure to interact with and guide all 54 students. All facilities of the mentor institute NIT Agartala are available to the students of IIIT Agartala and they are able to utilize it to its fullest potential. I hope for a long term relation with your organization and mutually benefit each other.

Dr. Ashim Saha
IIIT Coordinator

About IIIT Agartala

INDIAN INSTITUTE OF INFORMATION TECHNOLOGY AGARTALA (IIIT-AGARTALA), is one of the Indian Institutes of Information Technology (PPP) in the country, set up with the objective of making available facilities for higher education, research and training in various fields of Information Technology.

To address the challenges faced by the Indian IT industry and growth of the domestic IT market, the Ministry of Human Resource Development (MHRD) , Government of India intends to estates of Information Technology (IIIT), on a Not-for-profit Public Private Partnership (N-PPP) basis.

First batch of IIIT Agartala passed in 2021-2022 and our industry partners are -

Academic Programs

Program - Bachelors of Technology (B. Tech)
Branch - Computer Science and Engineering
Duration - 4 Years
Admission Through - Jee Mains
Final Year Project - 1
Internship - 3 to 6 months available from Jan 2023
No. of Students available - 15

The department has a meticulous curriculum on topics related to all aspects of computer hardware and software with an emphasis on practical learning.

It provides an ideal environment to the students to think beyond the sphere and contribute through rigorous research and publications.

The department has a thriving research environment in the areas of Algorithms , Internet of Things, Computer Vision, Image and Video Processing, Cloud Computing, NLP , System and Networking.

Clubs

Developers Club

The talented team of students who have made several applications, website and help each other with all development related activities.

Codechef Chapter

Organize coding classes for juniors and actively participate in various competitions and organize coding events from time to time.

EBSB Club

MHRD initiative to bring down the cultural difference between different colleges through various activities between them.

Also students of IIIT Agartala have openly participated in various competitions and successfully administered important positions in clubs of NIT Agartala.
Some of these Clubs are :-
1. Google Developer Club
2. ACM ICPC Club
3. E Cell
4. Enlightenment Club
5. Sagnak Prayog
6. Aaveg Club
7. We can organisation

Student's Life

At present IIIT Agartala is temporarily functioning from NIT Agartala campus, and it is unlikely that this scenario will change for atleast five years down the line. As you would imagine then, despite the fact that our institute is only two years old ,we have enjoyed and reaped the benefits of having a well established and prestigious institute like NIT Agartala as our mentor.

The students of IIIT Agartala not only participate and display their talents for various clubs of NIT Agartala, but have also established many exciting clubs of their own which have made the student atmosphere very bewitching and productive indeed.

Why Recruit from IIIT Agartala

1. Our students have contributed to open-source, enabling students to learn by contributing and sharing in major platforms like Google Summer of Code, Girl Script Summer of Code, ODK-X, Lets Upgrade, and Hacktoberfest.

2. All of our final year students have bagged placements in well-reputed companies and start-ups like Amazon (1.15 Crore) , Branch International(45 LPA) , Infra Market (20LPA) , VMware(20LPA) , Red Hat(26 LPA), Upstox(18 LPA) , etc.

3. Some of our students have also secured research based internships at Indian Institute of Science Bangalore and Indian Institute of Information Technology Gwalior.

4. Our students have been active in showcasing their entrepreneurship skills by opening Many start-ups of their own like The Digital Algorithm, Daisyon-eCommerce company, Engineer Submit, Promo-Beings, etc. Students also participated and won prizes in Startup India and e-cell of our mentor institute.

5. Our students have also started programs like codified youth, engineer summit and have also become the chapter lead for instance Girl Script Agartala.

6. Our students have been proactive in inculcating the habit of excelling in every field of opportunity that was made available to them. They have been involved and have secured ranks in numerous hackathons and competitions.

7. Apart from this, our students have started their technical clubs and cultural societies as well as successfully administered various clubs and societies of NIT Agartala. Some of these are:
a) Codechef Chapter (IIIT Agartala)
b) Developer's Club (IIIT Agartala)
c) EBSB Club (IIIT Agartala)
d) Google Developers Club (NIT Agartala)
e) ACM ICPC Club (NIT Agartala)
f) E-Cell (NIT Agartala)
g) Enlightenment Club (NIT Agartala)
h) Sanganan Prayog (NIT Agartala)
i) Aaveg Club (NIT Agartala)
j) We can Organisation (NIT Agartala)
k) Robotics

8. Our students have not only been active in academic endeavors but also participated in numerous sporting competitions in collaboration with NIT Agartala like inter NIT competetion, etc.

The fact that all the students have been able to present themselves proactively and have accomplished many achievements despite various factors like us being the first batch of our institute and COVID-19 immensely hindering our growth proves that all students have great potential.
