

## **Expert Lecture at IIIT Agartala**

IIIT Agartala hosted an insightful online expert lecture by **Mr. Sanku Kumar Roy**, Dept. of Computer Science and Engineering at the University of Alberta and former JRF at IIT Kanpur, on the topic:

**"In-place Continuous Compression in Delay Tolerant Networks Under Limited Storage."**

The session highlighted innovative techniques in **Wireless Networks**, focusing on data compression in resource-constrained and high-latency environments.

Our **3<sup>rd</sup> year B.Tech students** found the talk highly engaging and motivating, fostering deeper interest in **research and higher studies** in advanced networking.
